Um Enclave de praia natural e vanguardista

Conheça um lugar único Um resort de bem-estar sustentável, premiado e de alto nível no México

A secluded sanctuary with oceanfront swim-up suites, jungle spa, and gourmet restaurants overseen by chefs trained in Michelin-starred restaurants from around the globe.

The locally sourced plant-based cuisine, secluded white sand beach, private terraces, infinity pools, and in-suite dining set The House of AïA apart from other luxury wellness retreats. The exquisitely designed oceanfront suites complemented by stunning ocean views, elegant décor, and holistic amenities are unlike anything else in the Riviera Maya. The all-inclusive vegan-friendly resort offers a level of seclusion often associated with far-flung island resorts and an atmosphere of tranquillity you would expect from a yoga retreat. Guests will have the perfect opportunity to reestablish the connection between mind and body with guided meditation sessions, yoga classes, sound baths, energy healing, and more, all while immersed in the vibrant jungle energy of the Riviera Maya.

The House of AïA also offers guests access to the excellent Atlantis Spa, where jungle-inspired architecture blends seamlessly with modern design and tranquil treatment rooms. Guests can indulge in a number of spa treatments, including ayurvedic treatments, Temazcal ceremonies, steam room sessions, relaxing massages, and more.
